

Fuji Chemical Industry will be exhibiting at Natural Products Expo Asia in Hong Kong Convention & Exhibition Center, June 26th through 28th. Demand for natural and organic products is growing rapidly worldwide. This is one of the best opportunities to find out latest in this market. Fuji Chemical extends our invitation to you to visit us at Booth #G02.

This year, Fuji will introduce the new astaxanthin health supplements called Astavita®.

Astavita®

Introducing the latest line of Natural Astaxanthin supplements to nourish and protect the body inside out.

From Japan, the Astavita® dietary supplement forges the power of AstaREAL® astaxanthin with other natural potent ingredients to protect your body's specific function. Astavita® Beauty, Sport and Vision delivers health benefits to those people who want to remain vibrant and active through out their life. Astavita® contains AstaREAL® astaxanthin powerful carotenoid antioxidant marketed in 20 countries.
